Thank you for taking the time to do this. We ask that you now share this with your family or a trusted individual,
and make sure it is in a safe place for when the time comes. Also let them know where to find important
documents and account details, investments etc. This may be best with your will or at your solicitors. Laminating this would protect it further. If you would like us to hold a copy, please let us know.
Also, if you would like to know a rough cost of your choices as detailed here, we would be happy to provide a
no obligation quotation – please call us on 0203 067 0068 or come in and visit any time.
